PROFESSIONAL SUMMARY

Industrial Engineering & Management graduate (M.Sc., in progress) with an IPMA project management certification and hands-on Life Cycle Assessment experience. Strong interest in reducing Scope 3 emissions and creating circular value through improved industrial waste sorting, material recovery, and process-level waste reduction.

EXPERIENCE

Quality Team Lead | SkillCat

November 2024 - Present

- Lead a team of 5 across quality assurance, content operations, and digitization departments.
- Designed and own SkillMap Cohort 1 Tracker, a 47-column, 79-candidate system tracking a 10-week HVAC certification program, with automated risk flagging, weekly EOW reports, Google App Script automation, and a live summary dashboard.
- Iteratively developed a 15-stage course production QA pipeline

Founder in Residence | Vaasa Startup Factory

June 2026 - August 2026

- Co-founder, BestB4, a real-time discount platform connecting Finnish grocery retailers with price-sensitive shoppers to reduce food waste; raising pre-seed funding for a Vaasa pilot.

Content Operations Roles | EssentiallySports, NapCloud & Kidadl

Oct 2021- Nov 2024

- Supported high-volume 20+ daily operations using structured workflows, documentation, and quality controls across distributed teams.
- Performed quality and compliance checks on large datasets and content systems, improving consistency and adherence to documented standards.
- Maintained and updated nearly 500 structured pages, ensuring version control, data accuracy, and documentation discipline.

EDUCATION

- **Master's in Industrial Engineering and Management, University of Vaasa**

Expected Graduation: December 2026

Relevant coursework: Operations Management, Operations Strategy, Quality and Reliability Management, Operations Research, Statistical Data Processing (SAS), Decision Analysis, Project Management (ongoing), Supply Chain Management (ongoing), Production Systems (ongoing)

- **Master of Science in Economics - Vidyasagar University, India**

ACADEMIC PROJECTS

- **Factory Cell Production Simulation** (VisualComponents, Grade 5/5), built a full human-robot collaboration cell; raised throughput from 55 to 130 units/hour, a 136% improvement.
- **ABB Hurricane Packaging Optimization** (Grade 5/5), redesigned packaging across 400 SKUs and 30+ box types; 12% material reduction, ~0.3 kg CO2e savings per unit, PPWR-compliant.

CERTIFICATIONS & ACHIEVEMENTS

- IPMA Foundation Certificate in Project Management, PRY/IPMA Finland, May 2026
- Google Data Analytics Professional Certificate
- JPMorgan Chase & Co. Global Finance and Business Management Virtual Experience Program
- Fundamentals Of Digital Marketing, Google Digital Unlocked

CORE SKILLS

- **Project Management:** JIRA, Confluence, Asana, Notion, Slack
- **Methodologies:** Scrum, Kanban, IPMA framework
- **Simulation & Modeling:** VisualComponents (3D factory, digital twin, bottleneck analysis, human-robot collaboration)
- **Data & Analytics:** Excel (advanced), Google Sheets + Apps Script, Looker Studio, SAS, Power BI
- **AI Tools:** Claude Code, ChatGPT & Codex, Perplexity, IBM AI & Cloud (in progress)
- **Languages:** Bengali (native), Hindi (fluent), English (C1/IELTS 7.5), Finnish (B1), German (elementary)
